Engineering Major Internship at UTSA

Undergraduate Research, Education And Training (U-GREAT) is a program sponsored by U.S. Department of Agriculture that can provide you with a unique summer experiential learning opportunity.

Students will participate in a 8-week paid (up to \$3200) hand-on research internship sponsored by U-GREAT/USDA at a UTSA Lab on campus from June 4th – July 27th.

Research Topics Include:

- Climate Change Projections
- “Flash Flood Alley” prediction models
- Clean energy generation and technology integration
- Water resources

Eligibility Requirements

- Must be U.S. citizens, nationals, or permanent residents of the United States.
- Must have completed at least one academic semester of full-time study at bachelor’s degree level.
- Must have 2.9 cumulative GPA
- Must major in Engineering

Deadline: March 23, 2018
